

Minutes of the special meeting of the Town of Leola Board of Supervisors held on November 13, 2009:

Meeting was called to order at the Town Hall at 3:30 p.m. by Chairman Ken Zimbeck. All Board members, clerk, and deputy clerk were present. Treasurer was absent and excused.

Proceed to corner of Apache Lane and County Road G:

1. To discuss alternatives for determining placement of road: Two alternatives are to move the road or to adjust the road right of way on the south side of the road to accommodate the necessary requirements for maintenance and liability. Board members will discuss this with adjacent property owners and bring recommendations to the December meeting.
2. To inspect the need to replace culvert on Apache Lane just west of 1st Avenue: Motion by Orin/Ted to replace the culvert located approximately 100 yards west of 1st Avenue with a 24" by 40' (approx) culvert before further road surfacing is done. Motion carried

Ken reported that Lampert – Lee will accept maintenance responsibilities for any culvert placed under 3rd Avenue at the site of the cranberry operation and that this will be spelled out in the written agreement concerning same.

Motion by Ted/Orin to adjourn at 4:36 p.m. Motion carried.

Respectfully submitted,

Sue Prince, Clerk
